Applicant, through its authorized representative, represents and warrants that Applicant is applying for a commercial credit account from The Sherwin-Williams Company ("SW") that will be used for business purposes. Applicant and each person whose information is provided in the Guarantor section of this Application (each, a "Guarantor") authorizes SW to investigate Applicant's and Guarantor's credit history, respectively, both business and **personal** (which may include obtaining business and/or **personal** credit reports from a credit reporting agency), bank references and any other information deemed necessary by SW in connection with the establishment and maintenance of Applicant's commercial credit account. SW may report account activity and payment history to certain third parties, including credit bureaus.

If credit is granted, it is understood that the terms of sale are net 20th of the month following purchase. Applicant agrees: (a) to make timely payment for all goods and services supplied to Applicant regardless of any credit limit assigned by SW, and (b) in the event Applicant's account is placed for collection to pay all costs including actual attorney's fees and court costs incurred by SW in the collection of any amounts owed to SW by Applicant. In the event of default and in addition to all other available remedies, SW may charge interest on any past due balance at the rate of 1.5% per month (i.e., 18% per annum) with said interest being calculated from the date of default. By signing below, each **Guarantor personally guarantees** to SW the collection of the amounts due hereunder upon Applicant's failure to pay as agreed and shall be jointly and severally liable for the debt of Applicant, including any fees and charges.

No Modification of this Application or agreement will be binding on SW unless approved by an authorized representative of SW's Credit Department.
